ACT will provide an automatically calculated ACT Superscore to all students who have taken the ACT more than once from September 2016 to current day. The ACT Superscore is beneficial because it takes the average of the best subject scores from each ACT test attempt—and counts it as your official score.

If you feel that you could use individual tutoring in addition to our online program, we can refer you to Tom Ehlers, a Princeton University graduate, who created Methodize. He has a tutoring firm with tutors that he has personally trained and they are prepared to help our College Channel members. They teach virtually or in person and have a test prep center in Mineola, NY. You can call them to discuss your options and let them know that you were referred by Jan and Tony Esposito at the College Channel. Mineola Center, 137 Willis Ave., Mineola, NY 11501: 516-243-9421.
